2. OVERVIEW OF THE MASTER OF CRIMINAL JUSTICE PROGRAM

The Master of Criminal Justice degree program in the Department of Legal Studies at the University of Mississippi is a comprehensive and flexible program. The program is designed to provide people with the skills and knowledge to either start a criminal justice career or enhance an existing criminal justice career. The field of criminal justice is continually changing and becoming more complex, and these changes create a greater demand for educated professionals who understand complex issues and problems and who can adapt to an ever-changing world. The degree requires thirty-six (36) semester credit hours of approved courses.

The Master of Criminal Justice program is based on the principle that students need skills and experiences in the areas of critical thinking, scholarly analysis, communication, and ethical thinking. It is a challenging and rewarding program which can lead to a wide range of employment opportunities within criminal justice and related agencies including the private sector. It also provides an excellent way for current criminal justice professionals to obtain the knowledge, skills, and experiences to assist in promotional opportunities. Additionally, the program provides individuals with a rigorous education to pursue a doctoral degree. Simply, the Master of Criminal Justice program allows individuals to gain a deeper and greater understanding of the criminal justice discipline.

The primary responsibility for adherence to policies, regulations, deadlines, and degree requirements rests with the student. Questions should be directed to the Legal Studies Graduate Program Coordinator.

3. ADMISSION CRITERIA

DEGREE SEEKING ADMISSION

The University of Mississippi Graduate School has the following degree seeking admission categories:

1) Full Standing Admission

Applicants who meet all criteria are admitted without any qualifications if there is space in the program and application deadlines are met. Upon recommendation by the faculty of the academic area concerned, an applicant who holds a baccalaureate
degree from an accredited institution, has a 3.0 or equivalent average on a 4.0 scale of the last 60 hours of undergraduate coursework, and has an acceptable score on the standardized test appropriate to their discipline, may be considered for admission in full standing to a degree program. The Master of Criminal Justice program requires an applicant to submit a Graduate Record Examination (GRE). Please contact the Legal Studies Graduate Program Coordinator for the minimum acceptable GRE score. Enrollment in 700-level courses and thesis is restricted to students who have been admitted to degree programs in full standing.

2) Conditional Admission

Applicants who have not met requirements for full standing admission but whose credentials include a baccalaureate degree and appropriate standardized test scores and who indicate a reasonable chance for success, may be admitted in this category. Applicants admitted in this category are restricted to enrollment in courses at the 600 level and below, exclusive of thesis, and must satisfy all conditions of admission by the end of their first term of enrollment or their status will be changed to nondegree. Applicants admitted in this category are not eligible to receive departmental graduate assistantships.

3) Qualifying for Admission

Applicants who lack necessary prerequisite coursework or experience for a degree program, but who plan to take courses that will strengthen their qualifications to enter graduate degree programs, will be admitted as qualifying students. Courses completed in this category may not be applied to a graduate degree program at the University of Mississippi. Applicants admitted in this category are not eligible to receive graduate assistantships. While in qualifying status, a student may take a minimum of nine (9) credit hours and a maximum of eighteen (18) hours. When recommending admission into this category, departments are required to specify up to eighteen (18) hours of undergraduate coursework and/or specify a non-course requirement to be completed satisfactorily before the student is considered for admission into a graduate degree program.

NON-DEGREE SEEKING ADMISSION

The University of Mississippi Gradate School has the following nondegree seeking admission categories:
1) Nondegree I – Applicants with no intention to pursue or qualify for a graduate degree program and whose undergraduate grade-point average is below 2.7 will be admitted in this category. Enrollment is restricted to courses at the 400 level and below.

2) Nondegree II – Applicants with no intention to pursue a graduate degree program and whose undergraduate grade-point average is 2.7 or higher will be admitted in this category. Nondegree II students who later apply for and are accepted in a degree program may apply a maximum of nine (9) hours of graduate work taken in this category. Enrollment is restricted to courses at the 600 level and below.

3) Visiting – A student who wishes to enroll in graduate coursework for transfer toward a degree at another institution may be admitted in a visiting status. A visiting student must have written approval of the institution to which the credit will be transferred. Credit earned as a visiting student at the University of Mississippi may not be applied toward a degree program at this institution.

APPLICATION REQUIREMENTS

Full Standing Admission to the Master of Criminal Justice program is based on:

1) Evidence of an awarded Baccalaureate Degree from an accredited college or university;

2) Quality of the applicant’s academic record, as evidenced by cumulative grade point average. At least a 3.0 or equivalent grade point average on the last 60 hours of undergraduate coursework is required.

*May be taken 2 times with a different topic each time
**May be taken 4 times with a different topic each time
***May be taken for a maximum of 9 hours with a different topic and with permission from Department Chair & Graduate Program Coordinator

Program completion Option 1 and Option 2 require successful completion of an oral comprehensive examination. Option 3 requires the successful completion of the Comprehensive Written Exit Examination and a minimum of additional six (6) semester credit hours of class work.

Waivers of the four (4) core classes of CJ 600, CJ 625, CJ 635, and CJ 655 are not granted. Students are expected to take and pass these four (4) core classes with an acceptable grade of C or better. Please note that a grade point of less than 3.00 will result in being placed on academic probation, and a grade point average of at least 3.00 is required to graduate. The four (4) core classes must be completed in order to graduate with the Master of Criminal Justice degree.

Elective courses in the student’s program are to be chosen after an advising session with an assigned Legal Studies graduate academic advisor to determine a plan best fitting the student’s educational and career goals. Up to six (6) semester hours of coursework outside the Departmental of Legal Studies can be taken as elective credit towards the Master of Criminal Justice degree with prior approval of the Legal Studies Graduate Program Coordinator and the Department Chair.
TRANSFER CREDITS

The maximum number of credits that may be transferred in from other accredited colleges and universities is six (6) semester credit hours for up to two (2) courses for the Master of Criminal Justice degree. Transfer courses must be taken at the graduate level with a passing grade of B or higher; the student must have had graduate status at the time the courses were taken. In order for the credit hours to transfer, a Request to Accept Transfer Credit (GS3 form) must be submitted to the Department of Legal Studies. For a list of Graduate School forms, including GS3, see http://gradschool.olemiss.edu/current-students/forms-and-manuals-library/. Recommendations from the Department Graduate Program Coordinator and the Department Chair must be obtained, and the transfer of graduate credit hours must be approved by the Dean of the Graduate School. Neither the Legal Studies Graduate Program Coordinator nor the Department Chair are required to recommend acceptance of graduate transfer credit.

Grades from other academic institutions may not substitute for unsatisfactory grades earned at the University of Mississippi, nor may the grade of A or B earned at another academic institution be used to offset a lower grade earned at the University of Mississippi. Transfer work from another institution that constitutes an overload while enrolled as a full-time student at the University of Mississippi will not be accepted. All transfer of credit is subject to the following conditions: (1) The residence or degree credit requirement is not reduced; (2) The other graduate school must offer a graduate degree in the field in which the work has been completed; and (3) The credit must be recommended by the student’s department as specifically applicable to the student’s degree program.

No more than six (6) semester credit hours, subject to departmental approval, may be applied from a previous master’s degree to a second master’s degree at the University of Mississippi.

MINIMUM/MAXIMUM ENROLLMENT AND DEFINITION OF FULL-TIME

A minimum enrollment of three (3) semester credit hours is required of a graduate student in the fall and spring semesters and one (1) semester credit hour during the summer session, including registration for thesis credit hours. The maximum enrollment for a graduate student during the fall and spring semesters is fifteen (15) semester hours, including thesis credit hours. In the summer sessions, a graduate student may register for no more than six (6) semester credit hours each term.
A graduate student registered for nine (9) or more graduate-level semester credit hours during the fall or spring semesters at the University of Mississippi is considered to be a full-time student. In a summer term, a graduate student registered for four (4) or more semester hours is considered a full-time student. In order to satisfy residence requirements, a graduate student must enroll for a total of nine (9) semester credit hours during the summer session terms.

GRADES

While graduate students may earn course grades of A, A-, B+, B, B-, C+, C, C-, D, or F for graduate coursework, C-, D, and F are not acceptable for graduate credit, and, as such, will not count towards meeting the requirements of the Master of Criminal Justice degree.

Graduate students must maintain at least a 3.0 overall grade point average on all graduate work undertaken. In calculating the overall grade-point average, the quality points for final coursework grades are as follows: A = 4.0, A- = 3.7, B+ = 3.3, B = 3.0, B- = 2.7, C+ = 2.3, C = 2.0, C- = 1.7, D = 1.0 and F = 0. In certain specifically designated courses, the mark of Z is given to indicate that a student has received graduate credit but has been assigned no specific grade in the course.

In any situation in which a graduate student wishes to appeal a grade, he or she should contact the Dean of the Graduate School for a copy of the Graduate School Appeal Procedure.

Since the forgiveness grade policy is not applicable for graduate students, grades for all courses taken by graduate students will remain a permanent part of their transcript. A student who earns less than a grade of C for a graduate class may retake the course in order to meet degree requirements. Except for courses identified in the catalog as “may be repeated for credit,” no course may be repeated more than once for credit. Additionally, no more than two courses may be repeated and applied toward a degree. In instances of repeated courses, the grade and credit hours for the second attempt will be used to determine eligibility to graduate.
GOOD STANDING AND ACADEMIC PROBATION

To be in good standing in the Master of Criminal Justice program, a student must maintain an overall grade point average of 3.0 or higher. In order to earn the degree a minimum overall grade point average of 3.0 is required.

A graduate student whose overall grade point average falls below 3.0 will be placed on probation and expected to improve their grades to an acceptable level before the end of their next period of enrollment. The student will remain on academic probation until the overall grade point average is 3.0 or higher. While on academic probation, a semester grade point average of less than 3.0 may result in removal from the Master of Criminal Justice program.

Any graduate student dismissed from the Master of Criminal Justice program will be removed from Full Standing status and prohibited from completing any coursework or other requirements toward the Master in Criminal Justice degree. Grounds for dismissal include but are not limited to failing to maintain a 3.0 semester grade point after being placed on academic probation and academic dishonesty (e.g., plagiarism, cheating, etc.). For academic dishonesty, the instructor has a wide array of options, including having the student redo the assignment, assigning a lower grade for the assignment, assigning a failing grade for the assignment, assigning a failing grade for the course, and petitioning the Legal Studies Graduate Committee, the Legal Studies Graduate Program Coordinator, and the Department Chair to remove the student from the program. Dishonesty, cheating, or plagiarism, or knowingly furnishing false information are regarded as particularly serious offenses. Disruptive behavior in an academic situation or purposely harming academic facilities also are grounds for academic discipline. A graduate student who wishes to appeal a charge of academic dishonesty should contact the Dean of the Graduate School for a copy of the Graduate School Appeal Procedure.

COURSE WITHDRAWALS

Registration for a course makes the student responsible for attending that course until the course is completed or until, with the approval of the instructor and the Dean of the Graduate School, the Registrar authorizes withdrawal from the course. The last day that a student may withdraw from a class without a record of enrollment in each semester is listed in the Academic Calendar found online at http://registrar.olemiss.edu/academic-calendar-menu/. Stopping class attendance does not constitute withdrawal from a course.
COURSE DESCRIPTIONS

MCJ Course descriptions can be found at: http://catalog.olemiss.edu/courses/C.

5. PROGRAM COMPLETION OPTIONS

THESIS OPTION

One of the program completion options is the thesis. For this option, a student would enroll, with permission of the Legal Studies Graduate Program Coordinator and the Chair of the Department of Legal Studies, in CJ 697 for a total of six (6) semester credit hours. A student who has obtained six (6) semester hours of thesis credit without completing the thesis, and who has completed all coursework, must enroll for three (3) semester credit hours of thesis or coursework each subsequent semester in order to obtain library and parking permits, student housing, etc. A GS7 form, Authorization of the Final Oral/Written Examination, must be submitted to the Graduate Program Coordinator prior to the posted deadline for the semester in which the student plans to complete the oral defense. If the degree is not awarded at the end of the semester or summer term, as anticipated, another registration for three (3) semester credit hours is required in the semester in which the degree is granted. The additional thesis hours will not meet degree requirements.

For the Master of Criminal Justice program, thesis committees must consist of at least three (3) full-time faculty members from the Department of Legal Studies, and each thesis committee member must have Associate or Full Graduate Faculty status. Members of the thesis committee may continue their involvement on the committee after leaving employment with the University of Mississippi; however, a chair of the thesis committee who leaves employment with the University of Mississippi may serve only as a co-chair. A full-time Legal Studies graduate faculty member must chair a thesis committee. A successful oral defense and oral examination is required for the thesis option.

Regulations governing the style, format, paper, abstract and other matters may be found in A Manual of Theses and Dissertations available in the Graduate School Office. The format and citation style of a thesis for the Master of Criminal Justice must follow the current edition of the Publication Manual of the American Psychological Association. An electronic version of the thesis must be uploaded to ProQuest for

In order to graduate, a student must have earned a grade of C or higher in two of the four core classes and a grade of B or higher in the other two core classes. In addition, a student must have a grade point average of 3.00 or higher in order to graduate.

The deadline to submit GS7 form, Authorization of the Final Oral/Written Examination, is provided at [http://gradschool.olemiss.edu/current-students/the-end-game-preparing-to-graduate/](http://gradschool.olemiss.edu/current-students/the-end-game-preparing-to-graduate/). For more information concerning the thesis program completion option, please see the Legal Studies Graduate Program Coordinator. For a list of Graduate School forms, including GS7, see [http://gradschool.olemiss.edu/current-students/forms-and-manuals-library/](http://gradschool.olemiss.edu/current-students/forms-and-manuals-library/).

**Practicum Option**

One of the program completion options is the practicum. For this option, a student would enroll (with permission from the Legal Studies Graduate Program Coordinator) CJ 697 for a total of six (6) semester credit hours. CJ 697 requires a minimum placement at a managerial/administrative level of 400 with an approved agency. A student must select and secure this placement on his/her own with approval of the Legal Studies Graduate Program Coordinator. CJ 697 requires a major policy analysis paper after completion of the agency placement hours. The format and citation style of the policy analysis paper for the Master of Criminal Justice must follow the current edition of the Publication Manual of the American Psychological Association. A GS7 form, Authorization of the Final Oral/Written Examination, must be submitted to the Graduate Program Coordinator prior to the posted deadline for the semester in which the student plans to complete the oral defense. A successful oral defense and oral examination is required for the practicum option. In order to graduate, a student must have earned a grade of C or higher in two of the four core classes and a grade of B or higher in the other two core classes. In addition, a student must have a grade point
average of 3.00 or higher in order to graduate. For more information concerning the practicum program completion option, please see the Legal Studies Graduate Program Coordinator.

**NON-THESIS / NON-PRACTICUM OPTION**

Another program completion option is the taking an additional six (6) semester credit hours of approved graduate coursework and successful completion of a written comprehensive examination. In the last semester of graduate coursework, a student for this option must sign up and take the written comprehensive examination. This examination is not offered during the summer sessions. Only students in good standing who have registered for credit hours and submitted a GS7 form, Authorization of the Final Oral/Written Examination, to the Graduate Program Coordinator will be allowed to take it. The comprehensive examination covers all four (4) core classes (CJ 600, CJ 635, CJ 645 (to be replaced by CJ 625 in 2019), and CJ 655) and selected elective criminal justice graduate courses. In order to sign up for the comprehensive examination and in order to graduate, a student must have earned a grade of C or higher in two of the four core classes and a grade of B or higher in the other two core classes. This means that all the core classes must have been finished prior to the taking the comprehensive examination. In addition, in order to take the comprehensive examination, a student must have a grade point average of 3.00 or higher. This examination is graded and a student must pass it to earn the Master of Criminal Justice degree.

A graduate student must score 80% or higher on each tested course to pass the exam. If a student’s test score falls below 80% on one (1) or two (2) course exam(s), the student must contact the professor who graded the exam and work with that professor to submit an acceptable written exam before the end of the last day of finals of the semester in which the written comprehensive exam was administered.

If a student’s test score falls below 80% on three (3) or more course exams, the student must submit another GS7 form, Authorization of the Final Oral/Written Examination, to the Graduate Program Coordinator and retake the written comprehensive exam. If the student fails the retry, he/she will need to retake the written comprehensive examination in the next fall or spring semester. The student will be required to be enrolled in three (3) credit hours of graduate credit each time the comprehensive examination is attempted.
All students pursuing graduate degrees must be enrolled for three hours (thesis or coursework) during the fall or spring semester in which they take their final oral and/or written examination, including the written comprehensive examination.

In order to graduate, a student must have earned a grade of C or higher in two of the four core classes and a grade of B or higher in the other two core classes. In addition, a student must have a grade point average of 3.00 or higher in order to graduate.

For more information concerning the non-thesis / non-practicum program completion option, please see the Legal Studies Graduate Program Coordinator.

The deadline to submit GS7 form, Authorization of the Final Oral/Written Examination, is available at [http://gradschool.olemiss.edu/current-students/the-end-game-preparing-to-graduate/](http://gradschool.olemiss.edu/current-students/the-end-game-preparing-to-graduate/). **CANDIDACY AND APPLICATION FOR MASTER OF CRIMINAL JUSTICE DEGREE**

A student must submit an application (GS8 form, Application for Graduate Degree) to the Records Coordinator in the Graduate School for the Master of Criminal Justice degree during the last semester or summer term of enrollment (i.e., semester of expected graduation). This form must be signed by either the Legal Studies Graduate Program Coordinator or the Department Chair. The deadline for submission of the GS8 form can be found at the Registrar’s Academic Calendar (see [http://registrar.olemiss.edu/academic-calendar-menu/](http://registrar.olemiss.edu/academic-calendar-menu/)).

If the student is not able to complete degree requirements at the end of that period, the student must resubmit the application during the semester or summer term at the end of which the student expects to graduate. All students must be enrolled for at least three (3) semester credit hours (i.e., thesis or coursework) during the fall or spring semester in which graduation is expected. Those planning to graduate in summer semester must be enrolled for at least one (1) semester credit hour. A grade of I in a course taken in a previous semester does not count for being enrolled in the final semester of graduation.

For a list of Graduate School forms, including GS8, see [http://gradschool.olemiss.edu/current-students/forms-and-manuals-library/](http://gradschool.olemiss.edu/current-students/forms-and-manuals-library/).

Important dates for graduation see [http://gradschool.olemiss.edu/current-students/the-end-game-preparing-to-graduate/](http://gradschool.olemiss.edu/current-students/the-end-game-preparing-to-graduate/)
All students pursuing graduate degrees must be enrolled for three hours (thesis, dissertation, or coursework) during the fall or spring semester in which they take their final oral and/or written examination and in which they receive their degree.

**TIME LIMIT FOR MASTER OF CRIMINAL JUSTICE DEGREE**

All coursework, including the thesis, practicum, and written comprehensive examination, must be completed within six (6) years commencing from the first term in which a grade is recorded for graduate coursework. In addition, students must take at least three (3) graduate semester credit hours every other year to maintain regular status as a student in good standing.

**INCOMPLETE MARK**

The temporary mark of I (incomplete) is given to a student when, for unusual reasons acceptable to the instructor, course requirements cannot be completed before the end of the next semester. The instructor must submit an I Mark Assignment Form detailing the work to be completed and the deadline for completion. Failing the course or unexplained/unexcused absences cannot be used as a reason to request an incomplete grade. If the coursework indicated in the I Mark Assignment Form is not completed by the following semester’s deadline, the grade for the course will change to a grade of F.

**READMISSION**

A student who has had a break in enrollment of one or more academic terms (i.e., fall or spring semester) must reapply for admission. Readmission involves a review by the Department of Legal Studies, if the lapse period is beyond one semester. Readmitted students will be bound by departmental and Graduate School regulations in effect at the time of their readmission.

**6. GRADUATE ORGANIZATIONS**

There is a University of Mississippi Graduate Student Council, and the website for this organization can be found online at [http://gsc.olemiss.edu/](http://gsc.olemiss.edu/).

Graduate students enrolled in a graduate program in criminal justice or related field who have completed at least four graduate courses and have a minimum GPA of 3.4 on
a 4.0 scale may apply to be a member of The University of Mississippi’s chapter of Alpha Phi Sigma, Mu Rho. Alpha Phi Sigma is the National Criminal Justice Honor Society. To start the application process, interested students should contact the Alpha Phi Sigma advisor, Linda Keena at ldkeena@olemiss.edu.

7. TUTION AND FINANCIAL ASSISTANCE

TUITION

The University of Mississippi Office of the Bursar oversees tuition. Please see online http://www.olemiss.edu/depts/bursar/estimator.html. In addition, a tuition estimator can be found online at http://www.olemiss.edu/depts/bursar/estimator.html.

FINANCIAL AID INFORMATION

The Graduate School administers diversity fellowships and the Summer Graduate Research assistantships. The largest source of funds for graduate support is from teaching, research and graduate assistantships offered by academic departments, along with partial tuition and nonresident waivers. Graduate students can also apply for external grants and awards. These funds can be obtained from national, state and local organizations, foundations and agencies. Links to those organizations and additional financial aid information may be viewed online http://gradschool.olemiss.edu/prospective-students/financial-aid-information/.

ASSISTANTSHIP POSITIONS

The Department of Legal Studies offers graduate assistantship positions; however, the number and type of assistantship positions vary from one academic year to the next, often depending on funding. The types of positions are as listed below and may be a combination of the three options.

1) Graduate Teaching Assistant

This is an appointment to serve as an assistant proctor for a professor or as a grader, not as a primary instructor. A teaching assistant is not responsible for assigning a grade in a course. To serve as a Teaching Assistant, students must
complete The Center for Excellence in Teaching and Learning’s (CETL) Graduate Instructor/Graduate Assistant training the week before the fall semester starts.

2) Graduate Administrative Assistant

This is an appointment to perform various types of administrative or service tasks for the department.

3) Graduate Research Assistant

This appointment is made by a faculty member to a student to assist in performing various types of research activities.

APPLICATION PROCESS
A call for applications is sent out each spring semester and included in this call is information of how to apply. The call for applications is emailed to current and admitted students in the Master of Criminal Justice program using the students’ University email address. In order to be considered, an application for a graduate assistantship position must be sent directly to the Department of Legal Studies. The application packet should include a cover letter, a curriculum vitae/resume, and a copy of college transcripts. The cover letter should include why the student is interested in the position, skills, and career goals. In order to apply, an applicant must be in good standing with the University of Mississippi and maintain a 3.0 GPA.

If a prospective student wishes to be considered for a graduate assistantship, their complete application to the Master’s program must be submitted before April 1st of the preceding year.

APPOINTMENT LEVELS AND PERIODS
Graduate assistantship appointments are made as either one-quarter or one-half time positions. This implies a 10 hour to 20 hour work effort per week. Depending on the type of assigned duties, the actual work time may vary and will be determined by the department supervisor.

Appointments are made for a one-semester or two-semester (academic year) period. Students who are making good progress toward their graduate degree and who receive good evaluations will usually be considered for reappointment; reappointment to a position is not made automatically from one period to the next and depends on the
needs of the department supervisor and the availability of funds. Departments may choose to establish a maximum number of semesters of support for their students.

**ENROLLMENT REQUIREMENTS**

Students who receive at least a one-quarter time graduate assistant appointment must be enrolled for at least six graduate hours during the semester(s) of employment. The maximum level of enrollment is 12 hours for students with one-quarter or one-half time service appointments. (For students with one-half time appointments, a maximum of 9 hours can be in course work; the balance may be in thesis hours). Students with less than one-quarter time appointments must enroll for at least three hours (and a maximum of fifteen hours) of graduate course work. Graduate assistants who have a one-half time or greater appointment are expected to devote full time to their combined assistantship duties and degree program and not be employed outside of the University or hold other University employment.

**APPOINTMENT LETTERS**

The terms of individual appointments will vary from department to department and it is the responsibility of the administrative head of a department to state in writing the terms of appointment to new appointees or to students who are appointed to new assistantship positions. The letter should provide information regarding the following conditions, where appropriate:

- the title, percentage time, and period of the appointment;
- the stipend level for the above period and the availability of supplemental fellowships, including conditions for receiving a tuition scholarship;
- the minimum and maximum required and allowed course enrollment during the appointment period;
- evaluation procedures and required grade point average and performance requirements for continued employment;
- procedure for reappointment;
- deadline for acceptance of the assistantship offer;
- assistantships are usually subject to taxation and must be declared as income;
- required training sessions;
- date on which the appointee is required to report for work duty or training.

A copy of all appointment letters will be sent to the Graduate School and maintained in the student’s Department file. In the case of international students, a copy of the appointment letter will also be sent to the International Admissions Office so that immigration forms can be processed.
CONDITIONS FOR TERMINATION
The appointment of a graduate assistant may be terminated by the University, upon the recommendation of the departmental head, for the following reasons:

- incompetent job performance or neglect of duty;
- misconduct that is job-related;
- moral turpitude;
- physical or mental ailment or condition which significantly impairs or limits job performance and cannot reasonably be accommodated;
- financial exigency or discontinuance of the work for which the appointment is made;
- mutual agreement;
- failure to maintain a graduate grade point average of 3.0 and/or failure to maintain the minimum enrollment obligation.

OBLIGATIONS OF THE DEPARTMENT HEAD TO THE APPPOINTEE
It is the duty of the department head to consult with the graduate assistant to attempt to resolve any problems of performance and reappointment. The department head is responsible for providing written correspondence to a graduate assistant regarding (a) any change in the terms of appointment, including notification of reappointment for additional periods; (b) evaluation of job performance; and (c) any complaints received by the faculty supervisor or department head concerning the student’s job performance.

DIVERSITY FELLOWSHIP PROGRAM
The Graduate School administers a fellowship program available to persons who are members of minority groups (African-American, Hispanic-American and Native American) that have historically been under-represented in graduate education programs. This program has two components: (1) a stipend and (2) a tuition scholarship.

(1) The stipend is $1,000 for master’s students (fall and spring). To receive this stipend, a student must be admitted into a degree program, enrolled on the Oxford campus for at least 9 hours of graduate work each semester, nominated by the academic department and must not be a full-time employee.

(2) The tuition scholarship is valued at 75 percent of regular graduate tuition (and a 44 percent nonresident scholarship). The tuition scholarship also is available to graduate students who are part-time and who are enrolled at one of the regional centers. This scholarship is applied automatically.
UM REGIONAL OUT-OF-STATE FEE SCHOLARSHIP

A graduate student who has been admitted to The University of Mississippi’s DeSoto Center – Southaven or Tupelo Campus and maintains a 3.0 GPA may apply for a UM Regional out-of-state fee scholarship. The award amount is the portion of tuition charged to out-of-state students above the cost of Mississippi in-state tuition. Interested students must complete the UM Regional Campus Scholarship Application online at https://my.olemiss.edu/irj/servlet/prt/portal/prtroot/pcd!3aportal_content!2fGuest!2fGuestViews!2fRegionalScholarshipGuest.

8. GRADUATE FACULTY STATUS

Graduate Faculty are those members of the University of Mississippi faculty who are responsible for teaching graduate courses and directing graduate student theses and/or dissertations.

Faculty with full graduate faculty membership can teach graduate courses, chair a thesis or dissertation committee, participate on thesis, dissertation, and examining committees, and can be elected to the University of Mississippi Graduate Council. Faculty with associate graduate faculty membership can teach graduate courses, chair a thesis committee, co-chair a dissertation committee, and participate on thesis, dissertation, and examining committees. Only Associate and Full members of the Graduate Faculty are eligible to vote for Graduate Council representatives. Any exceptions for graduate faculty membership must be nominated by the Department Chair, endorsed by the Dean, and approved by the University of Mississippi Graduate Council. Acting, adjunct, research, instructional/clinical, visiting, and emeriti professors (Research and Support faculty) with appropriate terminal degrees and with appointments in academic departments having a graduate program may exercise the responsibilities of Associate Members. Instructional/clinical faculty members may be approved by Department Chair and Dean to teach 500 and 600 level courses if they hold Graduate Teaching Membership; however, instructional/clinical faculty members cannot Chair or Co-Chair a thesis, serve on a thesis committee, or serve on the University of Mississippi Graduate Council. Finally, a faculty member’s graduate faculty status may be reviewed, revoked, or downgraded based on a review through academic channels involving the Department Chair, the Dean, and the Graduate Dean.
The primary responsibility for adherence to policies, regulations, deadlines, and degree requirements rests with the student. Questions should be directed to the Legal Studies Graduate Program Coordinator.

All the members of the Department of Legal Studies wish you success in your graduate studies. See your Legal Studies academic advisor regarding the requirements for the Master of Criminal Justice degree and before registering for courses.
