This is a rather lengthy process; therefore, you should apply early

Internships with Federal Agencies

Check the USA Jobs site

<https://www.usajobs.gov/>

NOTE FROM YOUR INSTRUCTOR

This is a very limited list of possible internship sites. Students are encouraged to look for other sites, even ones that are not traditionally criminal justice sites, but that might have a connection to the field. Examples include interning with the emergency response and security team at a hospital; intern for the US House of Representatives Committee on Oversight and Reform, which includes the subcommittee on National Security.
